WHEREAS, it has been determined by the Council of the City of Alexandria that this encroachment is not detrimental to the public interest; now, therefore,

THE CITY COUNCIL OF ALEXANDRIA HEREBY ORDAINS:

Section 1. That Owners be, and the same hereby are, authorized to establish and maintain an encroachment into the public sidewalk right-of-way at 401 East Braddock Road (parcel addresses: 401, 405 East Braddock Road; 515 Mount Vernon Avenue) as shown in the attached Encroachment Plat labeled as Exhibit A, in the City of Alexandria, said encroachment consisting of an ornamental wall, raised planters and planting beds, until the encroachment is removed or destroyed or the authorization to maintain it is terminated by the city; provided, that this authorization to establish and maintain the encroachment shall not be construed to relieve Owners of liability for any negligence on their part on account of or in connection with the encroachment and shall be subject to the provisions set forth below.

Section 2. That the authorization hereby granted to establish and maintain said encroachment shall be subject to and conditioned upon Owners maintaining, at all times and at their own expense, liability insurance, covering both bodily injury and property damage, with a company authorized to transact business in the Commonwealth of Virginia and with minimum limits as follows:

Bodily Injury:	\$1,000,000 each occurrence
	\$1,000,000 aggregate

Property Damage: \$1,000,000 each occurrence
 \$1,000,000 aggregate

This liability insurance policy shall identify the City of Alexandria and Owners as named insureds and shall provide for the indemnification of the City of Alexandria and Owners against any and all loss occasioned by the establishment, construction, placement, existence, use or maintenance of the encroachment. Evidence of the policy and any renewal thereof shall be filed with the city attorney's office. Any other provision herein to the contrary notwithstanding, in the event this policy of insurance lapses, is canceled, is not renewed or otherwise ceases to be in force and effect, the authorization herein granted to establish and maintain the encroachment shall, at the option of the city, forthwith and without notice or demand by the city, terminate. In that event, Owners shall, upon notice from the city, remove the encroachment from the public right-of-way, or the city, at its option, may remove the encroachment at the expense and risk of Owners and Tenant. Nothing in this section shall relieve Owners of their obligations and undertakings required under this ordinance.

Section 3. That the authorization hereby granted to establish and maintain said encroachment shall in addition be subject to and conditioned upon the following terms:

1. Neither the City nor any Private utility company will be held responsible for damage to the private improvements in the public right-of-way during repair, maintenance or replacement of any utilities that may be located within the area of the proposed encroachment.
2. In the event the City shall, in the future, have need for the area of the proposed encroachment, the applicant shall remove any structure that encroached into the public right-of-way, within 60 days, upon notification by the City.
3. The applicant shall be responsible for the maintenance of the landscape for the encroached area. Prior to the release of the Final Site Plan, the applicant shall enter into an agreement with the City on the maintenance of the encroachment. Maintenance of the encroachment shall include tasks typically associated with landscape maintenance including care for and replacement of plantings, application of seasonal growth media and mulch, leaf removal, trimming and pruning, policing of litter and watering as needed during times of drought.

Section 4. That by accepting the authorization hereby granted to establish and maintain the encroachment and by so establishing and/or maintaining the encroachment, Owners shall be deemed to have promised and agreed to save harmless the City of Alexandria from any and all liability (including attorneys' fees and litigation expenses) arising by reason of the establishment, construction, placement, existence, use or maintenance of the encroachment.

Section 5. That the authorization herein granted to establish and maintain the encroachment shall be subject to Owners maintaining the area of the encroachment at all times

unobstructed and free from accumulation of litter, snow, ice and other potentially dangerous matter.

Section 6. That nothing in this ordinance is intended to constitute, or shall be deemed to be, a waiver of sovereign immunity by or on behalf of the City of Alexandria or any of its officers or employees.

Section 7. That the authorization herein granted to establish and maintain the encroachment shall be terminated whenever the City of Alexandria desires to use the affected public right-of-way for any purpose whatsoever and, by written notification, demands from Owners the removal of the encroachment. Said removal shall be completed by the date specified in the notice and shall be accomplished by Owners or Tenant without cost to the city. If Owners or Tenant cannot be found, or shall fail or neglect to remove the encroachment within the time specified, the city shall have the right to remove the encroachment, at the expense of Owners or Tenant, and shall not be liable to Owners or Tenant for any loss or damage to the structure of the encroachment or personal property within the encroachment area, caused by the removal.

Section 8. The terms “Owners” shall be deemed to include Yates Holding, LLC and their respective successors in interest.

Section 9. That this ordinance shall be effective upon the date and at the time of its final passage.
