FIRE							
RSAF 2015 Grant	(Virginia) State Office of EMS (OEMS)	These funds are from a State grant to be used to purchase a defibrillator that will be placed on a fire engine. The grant allows the Fire Department to continue moving towards the cross-training Firefighter/Medic program. The grant was approved by City Council on September 9, 2014, item 11. This grant was awarded in 2015 but the award amount was less than the amount of application (\$16,000 vs \$21,635 requested). As a result the City match will be increased. The Department's budget will be able to absorb this as other supplies (primarily medicine) in EMS this year have come in below budget.		\$ 16,000			\$ 16,000
UASI Swiftwater Grant	Council of Governments (COG) Urban Area Security Initiative (UASI)	These funds are from Federal COG UASI money that can be used to assist communities in responding to emergencies. These funds are available to help pay for training and associated backfill to help continue to train a swiftwater rescue team within the Fire Department. This grant was approved by City Council on January 27, 2015, item 5. The grant was awarded in 2015.	\$ 40,000				\$ 40,000
