

ORDINANCE NO. 5193

AN ORDINANCE authorizing the owner of the property located at 3030 Potomac Avenue to construct and maintain an encroachment for a vault for electric transformers under the sidewalk right-of-way at that location, adjacent to the portion of the property that borders Dogue Street.

WHEREAS, APTA Centennial Properties, LLC are the Owners (“Owners”) of the property located at 3030 Potomac Avenue, in the City of Alexandria, Virginia; and

WHEREAS, Owners desire to establish and maintain a below-grade vault for electric transformers which will encroach into the public sidewalk right-of-way at that location, on the portion of the property that borders Dogue Street; and

WHEREAS, the public sidewalk right-of-way at that location will not be significantly impaired by this encroachment; and

WHEREAS, in Encroachment No. 2018-0004 the Planning Commission of the City of Alexandria recommended approval to the City Council subject to certain conditions at one of its regular meetings held on June 5, 2018, which recommendation was approved by the City Council at its public hearing on June 23, 2018 and

WHEREAS, it has been determined by the Council of the City of Alexandria that this encroachment is not detrimental to the public interest; now, therefore,

THE CITY COUNCIL OF ALEXANDRIA HEREBY ORDAINS:

Section 1. That Owners be, and the same hereby are, authorized to establish and maintain an encroachment into the public sidewalk right-of-way on the Dogue Street side of the property located at 3030 Potomac Avenue in the City of Alexandria, as shown on the attached Encroachment Plat, said encroachment measuring approximately 602 square feet and consisting of a vault for electric transformers under the sidewalk right-of-way, until the encroachment is removed or destroyed or the authorization to maintain it is terminated by the city; provided, that this authorization to establish and maintain the encroachment shall not be construed to relieve Owners of liability for any negligence on their part on account of or in connection with the encroachment and shall be subject to the provisions set forth below.

Section 2. That the authorization hereby granted to establish and maintain said encroachment shall be subject to and conditioned upon Owners maintaining, at all times and at their own expense, liability insurance, covering both bodily injury and property damage, with a company authorized to transact business in the Commonwealth of Virginia and with minimum limits as follows:

Bodily Injury:	\$1,000,000 each occurrence
	\$1,000,000 aggregate

Property Damage:           \$1,000,000 each occurrence  
                                      \$1,000,000 aggregate

This liability insurance policy shall identify the City of Alexandria and Owners as named insureds and shall provide for the indemnification of the City of Alexandria and Owners against any and all loss occasioned by the establishment, construction, placement, existence, use or maintenance of the encroachment. Evidence of the policy and any renewal thereof shall be filed with the city attorney's office. Any other provision herein to the contrary notwithstanding, in the event this policy of insurance lapses, is canceled, is not renewed or otherwise ceases to be in force and effect, the authorization herein granted to establish and maintain the encroachment shall, at the option of the city, forthwith and without notice or demand by the city, terminate. In that event, Owners shall, upon notice from the city, remove the encroachment from the public right-of-way, or the city, at its option, may remove the encroachment at the expense and risk of Owners and Tenant. Nothing in this section shall relieve Owners of their obligations and undertakings required under this ordinance.

Section 3. That the authorization hereby granted to establish and maintain said encroachment shall in addition be subject to and conditioned upon the following terms:

- (a) The applicant shall not be permitted any above grade encroachment in the public right of way except access hatches that must be flushed with the side walk. The opening of the access hatches shall be minimum required to maintain and replace the transformers and switch gears when needed.
- (b) The electrical transformer vault hatch shall be covered with a material that matches the adjacent brick sidewalk.
- (c) The underground encroachment shall be limited from 5 feet below grade to the depth 33 needed for installation of transformers and switch gears. The 5 feet below grade depth 34 may be used by the City for landscaping or other infrastructure improvements.
- (d) Provide 2 JB-1 (junction boxes) for future use of IT connection for the contribution of the proposed transformer in the City's right of way.
- (e) Neither the City of Alexandria nor any public or private utility company shall be responsible for damage to Owners' property encroaching into the public right-of-way during repair, maintenance or replacement of the public right-of-way or any public facilities or utilities in the area of encroachment.
- (f) The Owners shall be responsible for replacement and repairs to the adjacent City right-of-way, including any areas damaged during construction activity.

- (g) In the event the City shall, in the future, have need for the area of the proposed encroachment, the Owners or Tenant shall remove any structure that encroached into the public right-of-way, within 60 days, upon notification by the City.

Section 4. That by accepting the authorization hereby granted to establish and maintain the encroachment and by so establishing and/or maintaining the encroachment, Owners shall be deemed to have promised and agreed to save harmless the City of Alexandria from any and all liability (including attorneys' fees and litigation expenses) arising by reason of the establishment, construction, placement, existence, use or maintenance of the encroachment.

Section 5. That the authorization herein granted to establish and maintain the encroachment shall be subject to Owners maintaining the area of the encroachment at all times unobstructed and free from accumulation of litter, snow, ice and other potentially dangerous matter.

Section 6. That nothing in this ordinance is intended to constitute, or shall be deemed to be, a waiver of sovereign immunity by or on behalf of the City of Alexandria or any of its officers or employees.

Section 7. That the authorization herein granted to establish and maintain the encroachment shall be terminated whenever the City of Alexandria desires to use the affected public right-of-way for any purpose whatsoever and, by written notification, demands from Owners the removal of the encroachment. Said removal shall be completed by the date specified in the notice and shall be accomplished by Owners without cost to the city. If Owners cannot be found, or shall fail or neglect to remove the encroachment within the time specified, the city shall have the right to remove the encroachment, at the expense of Owners, and shall not be liable to Owners for any loss or damage to the structure of the encroachment or personal property within the encroachment area, caused by the removal.

Section 8. The terms "Owners" shall be deemed to include APTA Centennial Properties, LLC and its respective successors in interest.

Section 9. That this ordinance shall be effective upon the date and at the time of its final passage.

ALLISON SILBERBERG  
Mayor
