

RESOLUTION NO. 439

WHEREAS, the City of Alexandria, Virginia, a Municipal Corporation, by resolution dated December 28, 1971, requested the Virginia Department of Highways and Transportation to proceed with plans for reconstruction of the Route 1 Bridge over Four Mile Run along with the necessary approaches, and

WHEREAS, the Virginia Department of Highways and Transportation has worked closely with the City of Alexandria, Arlington County, and the US Army Corps of Engineers to develop plans for this project, and

WHEREAS, the Virginia Department of Highways and Transportation presented plans at a public hearing on October 29, 1975, in the City of Alexandria for construction of a four-lane bridge over Four Mile Run, with approaches, identified as Project 0001-100-103, PE-102, C-502, in the City of Alexandria and Project 001-000-101, PE-102, C-503, B-608, in Arlington County, which project is the first phase of a proposed six-lane project extending from Reed Avenue in the City of Alexandria to Route 233, Airport Connector in Arlington County, and

WHEREAS, there was no significant opposition to the proposed plans as presented at the public hearing;

NOW, THEREFORE, BE IT RESOLVED, that the City of Alexandria, through its City Council, hereby approves the plans for this project as presented at the public hearing and requests the Virginia Department of Highways and Transportation to proceed with advertisement and construction of this project as expeditiously as possible, and

The City further reaffirms its commitment to pay its proportionate share of all actual costs for preliminary engineering, right of way, and construction.

Adopted November 11, 1975

Mrs. Helen Holleman, Clerk of the
City of Alexandria, Virginia
