

RESOLUTION NO. 528

WHEREAS, the City of Alexandria, Virginia, a Municipal Corporation, by Resolution dated May 28, 1974, requested the Virginia Department of Highways and Transportation to proceed with the final design plans for a project on Route 236, Duke Street, between Roberts Lane and Diagonal Road including the replacement of the existing bridge over the RF&P Railroad, said project being designated as State Project 0236-100-101, PE-103, RW-202, C-502, B-602; and

WHEREAS, the Virginia Department of Highways and Transportation has prepared plans for this project and said plans were presented at a Location and Design Public Hearing held for this project in the City of Alexandria on December 1, 1976; and

WHEREAS, there was no significant opposition to the plans as presented at the public hearing;

NOW, THEREFORE, BE IT RESOLVED that the City of Alexandria, acting through its City Council, hereby approves the location and design of this project as presented at the Public Hearing.

The City further agrees to pay its proportionate share of all actual cost for preliminary engineering, right of way, and construction for this project in accordance with previous resolutions.
