

## ORDINANCE NO. 80

AN ORDINANCE authorizing the Tidewater Oil Sales Corporation of New York, a corporation existing under and by virtue of the laws of the State of Delaware, to construct, maintain and operate pipe lines under the surface and across a portion of North Fairfax Street and North Royal Street and to construct, maintain and operate a side track in the bed of Wythe Street near Fairfax Street and running into their property located on the east one-half square of ground bounded by Royal, Pitt, Wythe and Madison Streets, in the City of Alexandria, Virginia.

Be it ordained by the City Council of Alexandria, Virginia:

SECTION 1. That the Tidewater Oil Sales Corporation of New York, existing under and by virtue of the laws of the State of Delaware, be and is hereby authorized to construct, maintain, and operate three (3) pipe lines of a diameter of 8-inch, 6-inch and 4-inch respectively, for the purpose of transporting petroleum or petroleum products, beneath the surface of Fairfax and Royal Streets, said pipe lines to cross Fairfax Street and Royal Street at right angles at a point approximately one-half way between Madison and Wythe Streets, originating on the property owned by the said Corporation and occupying the east one-half square of ground bounded by Royal, Pitt, Wythe and Madison Streets and running approximately 1,542 feet to a point in the Potomac River.

Said Tidewater Oil Sales Corporation shall install said pipe lines at least two (2) feet beneath surface of the street and in such manner as not to interfere with the use of said street by the public and shall maintain and keep said pipes and their contents in safe and proper condition and shall have the City of Alexandria harmless from any liability to persons using the said street by reason of the location of said pipes therein and shall also close as soon as practicable any excavations made for the purpose of installing or maintaining and shall restore the streets to the condition in which it was before any of said excavations.

SECTION 2. The said Tidewater Oil Sales Corporation is hereby given authority to construct, operate and maintain a side track from a point on the Southern Railway track as now constructed on Wythe Street in a westwardly direction and crossing Royal Street at a point approximately the south building line of Wythe Street, and thence parallel to the said track of the Southern Railway on Wythe Street and approximately forty (40) feet from existing track and across their property occupying the east one-half of square of ground bounded by Royal, Pitt, Wythe and Madison Streets, and the said Corporation shall maintain the said Wythe and Royal Streets between its tracks and on each side thereof within two (2) feet of said track in such manner and with such material as the adjoining part of said street is now maintained, or shall be maintained, by the City of Alexandria, and shall save the City of Alexandria harmless from any liability to persons using the said street by reason of location of said side track.

SECTION 3. The said pipe lines and the said side tracks will be located in accordance with the drawing of the Tidewater Oil Sales Corporation, entitled "Gasoline and Oil Storage, Piping Facilities and S'de Track, Alexandria, Virginia," drawing No. 134-D-1, dated December 14, 1928, said drawing hereto attached and made a part thereof.

SECTION 4. The installation of said pipe lines and side tracks shall be under the supervision of the City Council or its legal representative.

SECTION 5. This ordinance shall be in effect from its passage.

Approved this 3d day of January, 1929.

W. A. SMOOT,  
Mayor.
