

ORDINANCE NO. 378

AN ORDINANCE authorizing the Texas Company, a corporation, to construct, maintain and operate pipe lines under the surface and across a portion of Wythe Street in the City of Alexandria, Virginia.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ALEXANDRIA, VIRGINIA:

Section 1. That the Texas Company, a corporation, be and it is hereby authorized to construct, maintain and operate four pipe lines of a diameter of six inches for the purpose of transporting petroleum or petroleum products beneath the surface of Wythe Street in the City of Alexandria, Virginia, said pipe lines to cross Wythe Street at right angles at some points between Fairfax and Lee Streets.

Section 2. That said Texas Company, a corporation, shall install said pipe lines at least three feet beneath the surface of the street and in such manner as not to interfere with the use of said street by the public and shall maintain and keep said pipes and their contents in safe and proper condition and shall save the City of Alexandria harmless from any liability to persons using the said streets by reason of the location of said pipes therein and shall also close as soon as practicable any excavations made for the purpose of installing or maintaining said pipe lines and shall restore the streets to the condition in which they were before any of said excavations.

Section 3. That the said pipe lines will be located in accordance with the drawings of the Texas Company, a corporation, filed with the Building Inspector of Alexandria and dated the 19th day of February, 1942.

Section 4. That the location and installation of said pipe lines shall be under the supervision of the City Engineer of the City of Alexandria.

Section 5. That this ordinance shall take effect immediately upon its passage.

Approved this 24th day of March, 1942.

WILLIAM T. WILKINS,
Mayor
